RESPONSE TO OFFICE ACTION

MAIL STOP AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The April 25, 2005 office action (the "Office Action") in this application requested applicant to restrict to one of Group I (claims 22-30) and Group II (claims 31-35).

Applicant elects Group I, claims 22-30, with traverse on the basis that all of claims 22-35 are limited to methods for using a botulinum toxin, hence a single search should suffice to search all the claims.

The non-elected claims 31-35 are hereby cancelled without prejudice to further prosecution at a later date.
